[what + who]

The Grey Space in the Middle is a space for fundamental creativity where art, digital culture, science, technology, and philosophy merge in a post-disciplinary state. It is a project and presentation space, music and performance venue and cafe.

[opening hours]

Times will be extended to match the program times, keep an eye on our program.

Wednesday-Friday → 16:00-22:00

Saturday → 12:00-22:00

Sunday → 14:00-18:00

[dinner reservations]

Dinner is served on Wednesdays, Thursdays and Fridays between 18:30 and 21:00. Check the program for the menu. We serve vegan-friendly dishes. Students get 20% discount on the drink menu. Reservations: via reservations@thegreyspace.net or a DM on Facebook or Instagram. Please mention your name, the amount of guests, the date and which dish you would like.

[event space]

Organising an event and looking for a unique, unpolished and inspiring venue in the city center of The Hague? We offer a variety of spaces and our experienced team can help run your event smoothly and professionally (and Covid-19 proof). We are able to accommodate and arrange everything to suit different needs. This includes meetings, product launches, conferences, music programs, club nights, festivals, fairs and exhibitions. In addition your guests will be able to take a seat in our atmospheric cafe or sunny outdoor terrace.

[hyper garden]

In our backyard designer Jonathan Looman created Hyper Garden, an opensource organic micro-gardening system to build soil and grow vegetables, fruits, mushrooms and herbs in the urban environment.
